School dinner payments now online!

As of today you will be able to book and pay for your child's school dinner via the schoolcomms app – called school gateway. The cost of a school dinner will be £2.30 and you can book your child's school dinner from home up until 9am on the day that you wish your child to eat. You can still pay by cash or cheque but we hope this will make paying for your child's dinner more convenient.

Junior School club bookings now online!

Getting online with the school gateway app

If you haven't already downloaded the app or registered for schoolcomms via 'schoolgateway', please do so by going to <https://www.schoolgateway.com/>. We aim to be fully paper free **across the federation** by the end of academic year and will endeavour to communicate with our parents as often as possible from now on, via either text or email ONLY. If you are having any troubles getting online on receiving your PIN to register, please see Steph Smeeth who will be able to help.
 Please check your emails/app frequently for club registration, trip information, payment requests and consent requests. None of this will be via paper letter from now on however you can still make payments to the school via cash or cheque if that is easier for you. Please ensure to let us know if your email or mobile numbers change to ensure we can keep all communication flowing. Thank you.

Aspirational assembly at Bude Infant School

A huge thank you to Mr Frank Letch who visited the Infant School on Wednesday and inspired the children about being different. Please check out the Infant School Facebook page and Federation Blog for more information and some amazing photos.
