World Book Day Celebrations

We finally got to enjoy all the fun of World Book Day – with quizzes and visits to Bude Library taking place at the Junior School and the whole of the Infant School participating in a carousel of Roald Dahl based activities. We also had some outstanding book themed fancy dress. Our winners being: **Emma F, Eddie M-T, Lochlan R, Skye G, Jasmine P, Ashton A, Matilda F,** Morvenna, Jake, Isabel, Ruby, Finlay, Reuben, Will, Despina, Summer & Caitlin.

Please check out our Federation Facebook page for more pictures of the day.

St Petroc's Run

Our sincerest congratulations to all those who participated in today's St Petroc's Run. The U9s (Years 3/4) completed one lap (approx. 1.5 km) and the U11s (Years 5/6) ran two laps (approx. 3 km). We really were so impressed with how well you all did and the team spirit you demonstrated cheering your team mates and competitors home. A special thanks to Mr Dart, Mr Tilly and the parents who came to support! Please check out our Federation Facebook page for more pictures of the day.

Thurs 26th April – Junior School Class Photos ***NEW***

STEAMCO visit to Bude Junior School

On Monday we welcomed Nick from STEAMCO who came in to do an inspirational talk. As you may have heard from your children - he set off a real rocket in the playground! STEAMCO aim to engage children, innovate business and connect communities through raising aspirations and releasing children's imaginations. Nick is travelling from Cornwall right the way through the country as part of National Careers Week. And – he will be back to visit the Infant School in the near future!

For more info visit <http://www.steamco.org.uk>.

Infant School Online Book Club

Our new Scholastic Book Club is up and running! Go to <http://schools.scholastic.co.uk/bude-ex23-8ea> to browse the latest books and order online.

For every £1 you spend on this month's Book Club, our school will earn 25p in Scholastic Rewards.

Please place your order online by March 16th, 2018.

Bude Junior School Action Plan Update

As well as our STEAMCO activities raising aspirations and encouraging pupils to get into Science, Technology, Engineering, Art and Maths, this week all teachers had a presentation from Mr O, Mr Whelan and Mr T on maths mastery. They have finished planning a sequence of maths mastery lessons which will be introduced across the federation next week alongside the 'Cracking Comprehension' writing scheme. Mrs Dyer and Mr Edwards also visited Penryn School to look at their pastoral care.
